

STREEZWEAR®

OWN YOUR STREET, DEFINE YOUR STYLE

01 — BRAND ESSENCE

OWN YOUR STREET. DEFINE YOUR STYLE.

STREEZØWEAR is a Bangalore streetwear label making premium printed T-shirts, mostly oversized drop-shoulder tees.

The brand sits between two worlds: the attitude of the street and the finish of a luxury label. Everything we put out, from a tee to a shipping bag to an Instagram post, should feel dark, sharp, electric and premium.

Who we are	A streetwear brand for people who wear their attitude.
What we make	Premium oversized and drop-shoulder printed tees, released in limited drops.
Personality	Bold, confident, electric, premium. Never cheap, never loud for no reason.
The feeling	Neon light cutting through a dark street at night.
Promise	Street style that looks and feels expensive.

THE IDEA BEHIND THE LOGO

CHROME S

Strength and a polished, premium finish. It's the luxury side of the brand.

NEON GLOW

Energy, nightlife, the street after dark.

LIGHTNING SLASH

Speed and disruption, breaking the ordinary. It's our signature motif.

THE Ø

The slashed zero sets the name apart and carries the bolt into the wordmark.

02 — NAME AND TAGLINE

SAY IT RIGHT.

STREEZØWEAR

Always in capitals, with the slashed Ø.

NEVER WRITE

- × Streez Wear
- × StreezOwear
- × Streezo Wear

WHERE	HOW TO WRITE IT
Logo, headlines, packaging	STREEZØWEAR
Running text	STREEZØWEAR (preferred) or Streezøwear
URLs, hashtags, handles	STREEZOWEAR / streezowear (no Ø)

TAGLINE

OWN YOUR STREET, DEFINE YOUR STYLE.

Write it in that exact wording and punctuation. In the logo lockup it's set in spaced capitals.

SHORT TAGLINE

OWN YOUR STREET.

For stickers, tags and social bios.

FOUR VERSIONS. ONE RULE.

The official brand logo always sits on black (Void #07070A). Use the transparent versions only for printing on garments.

GIVE IT ROOM.

CLEAR SPACE

Leave empty space around the logo equal to **the height of the Ø** on every side. For the S mark alone, leave **a quarter of its width**. Nothing goes inside that space.

MINIMUM SIZE

	PRINT	SCREEN
Full lockup	50 mm	240 px
Wordmark only	35 mm	160 px
S mark	15 mm	32 px

Below these sizes the tagline and glow blur. Drop the tagline first, then switch to the S mark.

DON'TS

- × Don't place it on busy photos, or on red or grey backgrounds where the glow disappears.
- × Don't recolour the chrome or the red, add effects, or remove the bolt.
- × Don't stretch, squash, rotate, tilt or outline it.
- × Don't rearrange the lockup.
- × Don't print the glow logo on white or light tees without testing with your printer. The soft glow can print speckled. Black and dark tees are home.

BLACK FIRST.

The brand lives on black. Red is the light source. Chrome is the finish.

PROPORTION

70% BLACK · 20% CHROME · 10% RED

Red is a spotlight, not a paint bucket. When everything is red, nothing stands out.

BEST GARMENT COLOURS

Black (hero), charcoal, deep grey, off-black. Avoid red tees and white tees for the full glow logo.

06 — VOICE AND TONE

SHORT. CONFIDENT. NO BEGGING.

DO

- Short, punchy lines: "New drop. Limited run. Don't sleep."
- Speak to the wearer: "Your street. Your rules."
- Name the craft: heavyweight cotton, oversized fit, premium print.

DON'T

- × Overuse emoji or exclamation marks.
- × Use discount-shop language ("cheapest", "mega sale", "hurry hurry").
- × Use slang that will feel dated next month.

INSTEAD OF	SAY
"Super cool tees at best price!!!"	Premium street tees. ₹499. Limited drop.
"Please follow us for more updates"	Stay locked in. Next drop soon.
"Thank you for shopping with us"	Welcome to the street. Wear it loud.

NEON ON NIGHT.

- **The bolt slash.** A thin diagonal in neon red with a soft glow, lower-left to upper-right. Use it to divide layouts, underline headlines or frame product shots. One per layout.
- **Neon glow.** Only on red elements, only on black. Never on body text.
- **Chrome.** The silver gradient belongs to the logo and big display words only.
- **Rule lines.** Short red dashes can frame labels: — DROP 01 —
